About us

Once Upon a Bite exists for one reason: to make people feel something.

Luxury Afro-fusion catering for corporate events, weddings, intimate gatherings and special celebrations.

Built around flavour, presentation and guest experience - styled grazing tables, cocktail-style service and relaxed family-style dining.

Once Upon a Bite is where craftsmanship meets culture and where every bite tells a story.

Our Service Styles

Choose the right flow for your event. Every event has a different rhythm. Some guests want to graze and mingle, some need elegant bite-sized service, and some occasions call for shared food around the table. Our service styles are designed to help you choose the format that best suits your space, guest count and atmosphere whether you are planning a corporate launch, wedding reception, intimate dinner or special celebration.

Final pricing depends on guest numbers, menu choices, staffing, travel and setup requirements.
